→ RENDEZVOUS WITH A COMET

Just as the Rosetta Stone provided the key to an ancient civilisation, the European Space Agency's historic Rosetta mission is set to unlock the mysteries of our Solar System.

Join internationally renowned mission experts Paolo Ferri and Mark McCaughrean from the European Space Agency as they deliver a public presentation on "Rosetta's Journey - unlocking the origins of life".

FREE EVENT

Tuesday 17 February

University Club of Western Australia
2 Hackett Drive Crawley
