

ASA EPOC Workshop 2018, Perth Western Australia

Time	Wednesday - Astronomy communication in context	Thursday - Practical skills for high impact
08:30	Registration	Registration
09:00	Welcome and conference outline	Michelle Wheeler Astronomy media releases: A step-by-step guide
09:15		
09:30	Welcome to Country	Miriam Sullivan Evaluating your impact: how, what and why? Hands on workshop
09:45	Karlie Noon Indigenous Astronomy	
10:00	Fred Watson Astronomy at Large	
10:15		
10:30	Morning Tea	Morning Tea
10:45		
	Session Chair: Saeed Salimpour	Session Chair: Kirsten Gottschalk
11:00	Prof Richard de Grijs (Div C - Education Vice President) - International astronomy EPO with the IAU	Paul Luckas SPIRIT
11:15	Pete Wheeler (IAU Australian rep) EPO opportunities and the International Astronomical Union	Anusha ATARP High school teachers
11:30	Rob Hollow (Member, Commission C1 & OAD) EPO and IAU Commission C1 & OAD	Michael Fitzgerald Our Solar Siblings
11:45	Michael Fitzgerald (astroEDU) The IAU's astroEDU	Rob Hollow Pulse@Parkes
12:00	Astronomy Communication - the big picture (panel) Fred Watson, Michael Fitzgerald, Karlie Noon, Hayley Bignall	Saeed Salimpour Capturing the Cosmos: Astronomy in Middle School
12:15		Eileen Slater Cultural Sky Stories
12:30	Lunch	Lunch
12:45		
13:00		
13:15		
	Session Chair: Rob Hollow	Session Chair: Cass Rowles
13:30	Kirsten Gottschalk Astronomy WA	Tejinder Kaur Teaching Einsteinian physics to high school students
13:45	Saeed Salimpour Astronomy and Curriculum: A review	Ingrid McCarthy Astro3D
14:00	Research Roundtable: Evidence based EPO practice	Jackie Bondell Using VR for Public Outreach and in the STEM Classroom (ozGrav)
14:15		Engagement and Impact - ARC session (30 mins)
14:30		Jake Clark Build-a-Planet: Engaging young learners with tactile astronomy outreach
14:45		Zal Kanga-Parabia Astronomy and Art
15:00		Unusual outreach - Weird ideas: what happened? Did they work? (5 mins each x3)
15:15		
15:30	Afternoon Tea	Afternoon Tea
15:45		
	Session Chair: Michael Fitzgerald	Session Chair: Greg Rowbotham
16:00	Richard Tonello Shining a Light into the Cosmos - The Importance of Astronomy Outreach and Education	Diana Rosman Stimulating public interest in Astronomy and its History
16:15	Andrew Williams Talking to the non-general public	Carol Redford Astrotourism WA: a new pathway to protect dark night skies in regional and outback Western Australia
16:30	Workshop: ASA EPOC strategy and vision	Brad Carter Mt Kent Observatory: A Queensland Facility for Remote-Access and Robotic Astronomy (Zoom)
16:45		Workshop Wrap up
17:00	Sundowner: Physics Building foyer and rooftop	Galactic Sponsors:  
17:15		
17:30
