

STARGIRLS STEM CAMP

If you are interested in pursuing Astronomy as a career path, join high school girls for a **FREE** Astronomy Day Camp hosted by the International Centre for Radio Astronomy Research

JANUARY 25TH-28TH 2022

hosted at the University of Western Australia, Crawley and the Pawsey Supercomputing Centre, Kensington

- Meet with women in Astronomy fields
- Visit Pawsey Supercomputing Centre to see the role of data intensive astronomy
- Use research-grade telescopes to take and process your own astrophotos
- Complete real-world astronomy projects
- Participate in a night time stargazing event

This is a **FREE** day camp, open to all girls in year 9-12, with food provided.
